Selling Homemade Foods

Would you like to sell food that you make at home? The new homemade food permit exemption has significantly expanded opportunities for selling homemade food in Alaska! Understand the opportunities and risks of selling food from a home-based business.

Sarah Lewis, UAF Professor of Extension for Southeast Alaska, offers information and classes that increase the resilience of our households by teaching efficient and safe uses of home, community, and natural resources.

The University of Alaska (<http://www.alaska.edu/alaska>) is an equal opportunity/equal access employer and educational institution. The university is committed to a policy of nondiscrimination (<http://www.alaska.edu/nondiscrimination>) against individuals on the basis of any legally protected status. Accommodation requests related to a disability should be made five business days in advance to Alda Norris at amnorris2@alaska.edu or 907-474-7120. Language access services, such as interpretation or translation of vital information, will be provided free of charge to individuals with limited English proficiency upon request to amnorris2@alaska.edu. This work is supported by the U.S. Department of Agriculture's National Institute of Food and Agriculture.
